

ACKNOWLEDGEMENT B: LEGAL ADVICE

Wyoming Guardians *Ad Litem* Program Empowering youth & families through legal advocacy

ACKNOWLEDGEMENT TO AGREE TO NOT GIVE LEGAL ADVICE

Giving legal advice is practicing law and only licensed attorneys are permitted to do this. GAL Program Administrative Staff, volunteers, and college externs are not to give legal advice at any time.

When affiliates of the GAL Program introduce themselves to a client or a member of the general public, present in-person or via telephone or e-mail, they must always identify themselves with their name and title. All non-attorney members of the GAL Program, including volunteers or externs that are currently enrolled in law school, should make it clear and obvious to the individual to which they are communicating that they are not an attorney.

Any circumstance not clearly resolved via the instructions of this acknowledgement must be directed to the GAL Program Administrator immediately.

By signing this form you certify and acknowledge that you have received and read this document, are familiar with and understand its contents, and agree to comply with its terms as long as you are an affiliate of the GAL Program.
